CYNTHIANA, KY.  
THURSDAY, : : : March 26, 1893.  
A. J. MOREY, Editor.

FOR GOVERNOR  
**J. W. Stevenson,**  
OF KENTON.

The Future of Kentucky Democracy.

When we look forward to the future of our party, we are not transported with delight at the picture presented to our mental vision, although so greatly in the ascendant now. When that self imposed mission of the whole national party is performed—the restoration of constitutional liberty to an outraged people, at present suffering all the oppressive burdens of Radical misrule—the cohesive attraction of a common interest against a common foe will cease, and leave us no longer a unit in sentiment or action. The present party is composed of all elements of opposition to Radicalism, and necessarily embodies men of all creeds, as they were known before our late civil war; and when the great victory shall be won, as in our opinion it will next November, those old questions of party policy will inevitably intrude themselves upon us for decision; then we shall see the heterogeneous mixture as it by chemical process, developing and dividing the incompatibles. The "old liners," squaring themselves in defense of advocacy of their original views on tariffs, banks, &c., with as much vim and energy as ever before. Fortunately the Radicals have given us a surfeit of those luxuries enabling men to see the practical result of all such legislation as has for its objects the fostering of particular industrial or financial enterprises, therefore the lines cannot be drawn where they once were, but still the defection will be great.

The late incorporation of the 1-2 party with the Democratic, after its persistent efforts, and failing to divide our strength, which brought upon them the taunts and jeers of a not-to-be-humbled people, can result in no good to us. We are not in favor of disarming the aid of true workers, but these men being all leaders, full of ambition and lust for place and power, will, we fear, exemplify their ruling passions by creating cisms among those who could find no virtue in Democracy, until the bayonet of proscriptionary tyranny forced them with us as the most congenial company then to be found.

If these men will work earnestly for the success of true Democratic principles, and thereby prove their faith, in the fullness of time, they shall be rewarded as they deserve. But we may well question the sincerity of those who come to us with both hands extended in supplication to the dear people for office.

If Democracy is right now, it was always right.

Her principles have always been the same, and those who never recognized their virtues until now, must concede the superior foresight of old advocates, and should not complain if the people prefer to trust them first, to uphold her time-honored banner.

Much depends upon the organization and management of the party; now while in prosperity, to insure her harmony and power hereafter; and by placing such men only to control her affairs, as have by their unswerving devotion to principles, endeared themselves to her people, much of the danger otherwise to be apprehended, may be averted.

cerats without the prefix of some mollifying, descriptive adjective, would be productive of evil, and evil only. Men who are not willing to be identified with her name, her traditions and history, be it through evil or good repute, are not worthy to be called one of her children, and do not merit the confidence of the great brotherhood.

## Harrison County Criminal Court.

The Harrison County Criminal Court began its present session on the 17th inst and is still in session, His Honor W. E. Arthur, presiding. We had the good fortune to hear his charge to the Grand Jury and can say of a truth, that it was one of the most telling and forcible efforts of the kind we have ever heard; many parts of it having the ring of true eloquence. The Grand Jury after a session of only three days, adjourned for want of business.—They found only nine indictments at this term, which is a less number than has ever been found by any grand jury of this county, within our memory. We understand that they made diligent and searching inquiry for all evil doers, and have demonstrated to a certainty that crime in Harrison county is on the decrease, and indeed we think it must be evident to any close observer that the people of the county, and especially of Cynthiana, have become morally better, and are in every sense of the word an order loving and law abiding people. We are proud to be able to record this fact in their favor.

Willis Renaker, (of color) was tried and sentenced to one year's confinement in the Penitentiary, for stealing one hundred dollars from one of his companions, but it seems that the jury thought there was some reason for executive clemency in his case, and so recommends to the Governor of Ky., who has forwarded to him a full pardon and he will be released to day.

The case of Jephtha Coppage, who was tried for Arson, was perhaps the most interesting case tried at this term of the court. It will be remembered that some months ago the Methodist (North and South) worshiping at the church in this county, called the Boyers Church, got into a quarrel about the occupation thereof. The developments on the trial showed that Coppage undertook to settle the dispute by burning down the church, for which the jury thought he ought to serve in the Penitentiary at Frankfort, for two years. He was ably defended by Messrs Trimble & Ward. The Commonwealth's Attorney, Chas. Duncan, made a vigorous and eloquent speech for the prosecution.

A woman named Sarah Wright, was tried for horse stealing, and we have an idea of our own, that if some man had stood in her shoes, he would have gone to the Penitentiary, most men are easily touched, when a woman is in the case, and it may be that if we had been on that jury, we too would have brought in a verdict of not guilty. Wm. Sleishman, was sentenced to confinement in the Penitentiary for one year, for stealing some articles from a house belonging to Wm. Conner. Wm. Cummins (of color) was fined two hundred dollars, for keeping a gambling house and in default of the payment thereof was sent to jail, to load it out with Squire Webb, at the rate of two dollars per day. John Asbury, (of color) was sentenced to confinement in the penitentiary for one year for stealing some jewelry and articles of clothing from a negro named Robert Raburn.

On Saturday morning the Judge from the Bench notified the Court of the death of James F. Ware clerk of the Harrison Circuit and Criminal Court, and thereupon adjourned the court, out of respect to his memory, to meet again on Tuesday morning at 9 o'clock.

On Tuesday the Court again met and the case of Samuel Renaker, (of color) charged with the offense of attempting to commit violence on the person of Mrs. Kearns, a white woman, was tried. The jury returned a verdict of guilty and fixed his punishment at confinement in the county jail for one year, and also, to pay a fine of one hundred dollars. The court passed sentence Tuesday evening on all the prisoners convicted at this term. The Attorneys for Jephtha Coppage have applied to the Judges of the Court of Appeals for a new trial in his case. Court then adjourned to court in course.

## Fearful Steamboat Disaster, — The MAGNOLIA Blown up.

One of the most terrible steamboat disasters that has occurred in this vicinity since the blowing up of the Moezelie, took place yesterday, a short distance below California, at the mouth of Crawfish, and about seven miles up the river.

The ill-fated boat was the Magnolia, one of the regular Cincinnati and Maysville packets, and the most popular boat upon the line. She left her dock at the usual hour, 12 M., with, as is estimated, fully one hundred passengers on board, and in about an hour afterwards the explosion took place.

Several were rescued and taken to the shore at California. The following is, as near as we can ascertain, a list of the names, and their condition: L. E. Reiman, N. D. Ridenhour, Col. C. Marshall, Mrs. Albert N. Fulton, Rufus Martin and lady, Mrs. Wiles and daughter, Wm. D. Ross, slightly injured; T. Cox, editor Flemingsburg Democrat, C. D. Armstrong, same place; G. H. Huston, Berlin, Ky., slightly hurt; T. F. Jones, G. W. Kerr, Bridgeton, Ind., badly; Elliott, second clerk.

SAVED FROM THE WRECK.  
Mr. Levi, Mrs. Baker, of Ripley, O., Mr. Prather, brother of the Captain, Mr. Evans, Jackson, the steward, saved, but badly injured; Henry Clark, messenger Adams Express Company, one leg broken below the knee; Lew Mills, first mate; and porter of the boat, J. Stevens, first Engineer, and B. Gardner, badly injured; G. L. Gillis, mutant; W. Burton, bar-keeper, slightly injured; Thomas A. Curran, of Dover, Ky., slightly injured; J. M. Gilliland, of Ripley, two ribs broken; James Miller, badly scalded; J. B. Hawes, Minerva, Ky., shoulder broken and otherwise injured; Charles Lewis, of Iowa, frightful hole in the skull; George Wilder, of Higginsport, badly scalded; J. P. Lawill, of Aberdeen, scalded badly; R. M. Wall, of Cynthiana head scalded.—Cin. Eng.

By a letter to his mother, Mrs. Elizabeth Scott, of Lexington, we learn of the death, in a most cruel manner, of Dr. J. Cunningham, of Gonzales, Texas. The letter says he "was murdered by a lawless band of Federal soldiers, stationed at Gonzales, at the dead hour of midnight, on Sunday, the 25th of February." He was taken out of the hotel, marched a few steps therefrom, and by command of the officer in charge of the squad, shot. No cause for the killing of him is given in the letter. The officer who ordered and supervised his execution has been ordered under arrest, the letter states, and an investigation will be ordered. Dr. Cunningham's relatives live in Lexington and Fayette county.

In the negro convention at Richmond a constitutional amendment came very near being adopted on Thursday disfranchising all citizens who, at the election of members of the convention, voted against the radical candidates. The amendment was defeated, but only by a very small majority. It should have prevailed by all means. The new constitution will be incomplete without it. The negroes had better reconsider. Let them remember that the eyes of all Africa are upon them, and that Hayti expects every negro of them to do his duty. They should have had Stevens among them to shake his goblin finger at them and impel them up to their work.

It is stated that a disease known as "niggermania" is raging among the hogs of Tennessee. The hog sticks his hind foot into a nigger's fist, commences to squeal violently, jumps over the fence backwards, and dies in a few minutes, when he is taken to the darkey's shanty and devoured. The best remedy would be to discharge a load of shot, not exactly at the hog, but somewhere between the hog and the nigger, always being sure to come a little closer to the nigger than to the hog.

We met a lady in town the other day, a blood relation of ours and wife of a minister in this county, who has eaten nothing for five years. She takes no nourishment whatever, unless it be in fluid form, and very little then. It would take her all day to swallow a single cup of coffee, and at times she does not consume a teaspoonful in twenty four hours. She is in the enjoyment of good health, and attends to her household affairs as do other women.—Clark County Democrat.

The engineering corps of the Owensboro and Russellville Railroad are, we are glad to state progressing finely, having reached Calhoun. Their survey has been most careful and accurate. They return to this point by way of Lavermore.—Owensboro Mon

Hays City, Kansas, has a population of twelve hundred. The first house was erected last September

A rumor was prevalent, a few days since, that Old Thad. was about "having in his cheeks," or, in other words, giving up the ghost. The price of sulphur fell, consequently; but as he had not fallen into the sulphuric pit, that article, at last accounts, had assumed its former quotations. There'll be a tremendous fall when the old man goes home.—Ex.

The Lexington Gazette understands that Capt. C. C. Morgan, brother of Gen. Morgan, will proceed to Richmond, Va., about the 1st of April, to bring the remains of his brother home for interment. It says that due notice will be given, and every preparation made to inter the remains of the distinguished soldier among his relations and friends in the cemetery at Lexington.

A new locomotive engine for common roads has been exhibited in Edinburgh. It is set upon three wheels, weighs about five tons, and capable of going over the roughest road, climbing the steepest hills, and traveling over ploughed land with perfect ease.

A mare belonging to Martin Lydiek of this county, gave load to a colt on Sunday, Feb. 27th, to a second on the next Tuesday, and on Thursday following a third was added to the number. Geo. Times.

During January, no less than 141 ships carrying the British flag were lost. In connection with these losses the number of lives which perished are greatly in excess of those of former disastrous years.

Mr. Stanton took advantage of the balmy weather of the 15th to give himself another airing. He promenade around the War Department square for an hour or more, accompanied by his little boy, and with an armed soldier following closely at his heels.

## Covington Markets.

CATTLE.—The supply of cattle is light, and prices continue about the same as quoted in our last report. \$12.35 to \$18 per 100 lbs.  
SHEEP.—There is a good demand for sheep. Prices ranging from 4 to 6 dollars per 100 pounds.  
HOGS.—The market is quiet, with prices ranging from 7.50 to 8 dollars per 100 lbs.

## Debility and Emaciation.

Both result from the lack of ability to convert the food into nutriment. How necessary, then, for those suffering from these alarming symptoms to immediately resort to a remedy that will strengthen the stomach and digestive organs. For as soon as this desirable object has been accomplished, the health improves, and the patient resumes his usual personal appearance. HOS-PETER'S STOMACH BITTERS have obtained a world-wide popularity. In such cases have been proven the best and safest means of removing constipation, forcing the stomach, giving energy to the liver and relieving every symptom of nervousness and depression of spirits. Its cheering and beneficial effects are highly spoken of by thousands, who owe to its restorative to health. No restorative in the annals of medicine has attained the same popularity in the short space of time. It has been borne out by the public, or has won the high endorsements accorded to this excellent tonic. Many other preparations, purporting to be correctives and restoratives, have been introduced, and have perished one by one, while the popularity of Hostetter's Stomach Bitters continues to increase, and is now recognized as a standard household medicine. The success which attends the use of the Bitters, even in the most chronic cases of debility and emaciation of the stomach. Certificates, almost without number, have been published, attesting its truly miraculous power in removing those painful and fearful diseases. And at this time it seems idle to do more than call attention to the great remedy of the age, in order to attract public attention to its excellence. It is the preparation of the food that is reliable in all cases, and it is therefore worthy of the consideration of the afflicted.

**MAGIC BILIOUS**  
**POWDERS!!!**

**THIS PREPARATION IS THE DIS-**  
covery of the Rev. J. W. Polland, formerly pastor of the Baptist Church in Goffstown, N. H., and a man deeply beloved by that denomination throughout New England. He was obliged to leave the pulpit and study medicine to save his own life, and his Magic Powders are one of the most wonderful discoveries of modern times. It is the great Liver and Bileous remedy, which completely throws in the shade all other discoveries in medicine; and it affords him much gratification that they receive the unanimous approbation of all who have tested them. The Magic Bileous Powders are a positive cure for Liver Complaint, in its most aggravated form, and an immediate corrector of all Bileous Derangements. Excellent for headache, constipation, pimples, blotches, a sallow skin, drowsiness, dizziness, heartburn, palpitation and a most wonderful cure and preventive for Fever and Ague. [We advise all who are troubled with this fearful malady to always keep the Powders on hand for immediate use.]  
Here are a few important particulars:  
1st.—They are the Great Specific for all Bileous Affections.  
2d.—They are the only known remedy that will cure Liver Complaint.  
3d.—They are the only known remedy that will cure Constipation, always keep the Powders on hand for immediate use.  
4th.—The Powders are so thorough in their operation that one package will be all that the majority of those using them will require to effect a cure.  
5th.—They are a mild and pleasant yet the most effectual cathartic known.  
6th.—They are the cheapest and best medicine extant, as they can be sent by mail to any part of the world for the price, 50 cents. Circulars, containing certificates, information, &c. sent to any part of the world free of charge.

This machine is without a superior in the world. It runs as fast and easy and with as little noise as any first class machine in market. It will sew from the coarsest leather to the finest bank bill, and makes every stitch perfect. It runs, feels, binds, cords and tucks; and is adapted to every variety of work. It is strong, compact and durable, and will last twenty years, for ordinary family sewing, if not broken by accident or carelessness. But it is useless to parade a long list of the merits of this machine before the public, as the poorest concerns furnish them in the greatest abundance. All can try this machine by calling on the agent and it will proclaim its own merits.  
All kinds of gunsmithing, jobbing and repairing done to guns and pistols. Ammunition of all kinds kept constantly on hand.
